

ORLANDO AERIAL ARTS

COVID 19 PROTOCOL

- Only students will be allowed in the instructional area.
- Students must arrive to class 10 minutes early to wash their hands and to be prepared for sign-in procedures. No entry will be allowed for students who arrive late as the doors will be closed after attendance has been taken and temperature checks have been completed.
- Upon entering the building, everyone is expected to wash their hands.
- Prior to entering the studio, everyone will be asked questions related to their exposure to COVID-19.
- Prior to entering the studio, everyone will have their temperature taken. Anyone whose temperature exceeds 100.4 will not be allowed in the studio.
- Students will be required to wear a mask to enter and exit the building and to visit the restroom.
- Students are required to wear a mask during warm up.
- After warm up students may remove masks once in their designated apparatus area. If a student elects to wear a mask while on their apparatus it is with the understanding that there will be a learning curve to working in a mask. Students will be kept low to the floor until both student and instructor are confident with skill progression while wearing a mask.
- Students will be required to bring a yoga mat. In class yoga mats will be positioned to maintain appropriate distancing, and students are expected to return to their mat when not on their apparatus.
- Students will be required to bring their own fragrance-free hand sanitizer and are encouraged to frequently sanitize their hands, particularly when touching shared surfaces.
- Instructors will have their temperature taken prior to the start of their instructional time.
- Instructors will wear masks while spotting or when in close proximity to students. Instructors may remove masks in their designated personal area or to demonstrate a skill. Students will maintain appropriate distance when an instructor needs to remove their mask to demonstrate a skill.
- High touch surfaces and equipment will be regularly cleaned, rested, or sanitized as appropriate.
- Students are asked to minimize the number of personal belongings they bring to class.
- Please bring exact change, Venmo in advance, or drop your check payment in the payment box to expedite sign in procedures.
- Do not come to class if you are not feeling well. To receive a makeup class, you must email Absences@OrlandoAerialArts.com at first notice of illness. No makeups for No Call No Show.

As we progress in stages of re opening and our knowledge of COVID 19
you can expect these policies to be modified
